POST FORUM

MEET IN ITALY - FOR LIFE SCIENCES, Rome, 28 October

Promoted by Lazio Region and Lazio Innova

Meet in Italy for Life Sciences is an international brokerage event addressed to firms, researches, startups and investors, interested in new opportunities for technological business collaboration.

On 28 October, the entire day will be dedicated to the international convention and workshop on relevant matters for the Life Sciences. Representatives from institutions clusters and research centers will join together to analyze and discuss strategies, challenges, weakness and opportunities on the specific topics.
